PERSONAL PROJECT

Resume Website

Link: <https://elicandelaria.github.io>

- Designed with HTML and CSS from scratch
- Hosted the website via GitHub
- Continuously updating the website to add more content and personalization
- Self-taught front-end development via an online program

LEADERSHIP

Association of Computer Engineers

January 2018-Present

Professional Development Chair

- Reached out to companies from a variety of industries to communicate ACE's mission and how they could benefit from meeting our members
- Negotiated with recruiters of various companies to establish events for the association and convince the recruiters to maintain a long-term connection with the association
 - Planned out events with recruiters one to two months prior to the scheduled day of the event
 - Discussed with recruiters what day and times would be best to host events
- Provided members with opportunities to network with employees of numerous companies
- Arranged on-campus events, such as information sessions and coding competitions, to learn more about different companies and the roles of positions they offer
- Partnered with other computer science and engineering organizations such as the Association of Computer Machinery, Software Engineering Club, and Freshman Leadership Engineering Group to host an information session with Accenture and ExxonMobil
- Offered advice to members about how resumes should be formatted and how to prepare for career fairs such as the Career Development Workshop and Career Showcase

Society of Asian Scientists and Engineers

September 2017-April 2018

Fundraiser Committee Member

- Contributed to the Thanksgiving fundraiser that grossed over \$400 from consumers by creating flyers and serving plates that consisted of sushi rolls and fudge
- Recommended what flavors of dessert were offered for the Valentine's Day fundraiser, communicated with other members about how the Google form of that fundraiser was formatted
- Monitored what orders have been picked up for the Valentine's fundraiser with Excel
